Business Description

The business supplies and installs a full range of safety netting for building and construction projects throughout the UK. With a customer base that is not limited by industry and therefore is able to work with a large range of high profile establishments.

Offered on a fully relocatable basis, a new owner could easily operate the company from anywhere in the country.

Opportunity

The company is primed for expansion, with large scale opportunity specifically within the scaffolding offering.

Services include the provision of scaffolding and access towers, installation of safety netting and specialist rope access. On top of delivering safety solutions, Treetop can also carry out third party safety inspections. There is an opportunity for a potential partnership deal with land/commercial unit and planning permission. There is planning consent for two commercial units with one commercial unit currently on site.
