Business Description

Providing well-trained, front line staff such as waiters and waitresses with exceptional interpersonal skills, the agency has carved out a recognised name for itself within the events industry in London.

Favoured for its competitive prices and tailored service, the business has worked with well-known events and catering companies, including Purple Grape, Noble House Events, Food Matters, Urban Caprice, Alison Pricem IWM and Lettice. It currently has 5 regular clients it services and has forged strong ties with these.

Staff are mainly recruited from Indeed and Fresher's fairs, therefore are often students looking for part time work.

All furniture used for training such as tables and chairs, are included in the sale, along a website with great SEO placing and a CRM system.

Opportunity

This is a great opportunity to take on a business which is constantly approached for staff by its loyal clients and is very easy to manage through its CRM system. The business has the opportunity to be relocated and streamlined by a new owner.

Perfect for an owner of a recruitment agency or perhaps an events or catering business, a new owner could look to grow the business if they wish. Acquiring more clients through an advertising and face to face pitches would be a great way to boost profits. Recruiting more staff to allow for a higher workload would also lead the business to new heights.

The current owner would be happy to stay on for a month long transitional period in order to provide a smooth handover.
