Business Description

Entering from the street level, clients immediately step into the bright, spacious salon and are greeted by a member of staff at the reception desk immediately ahead.

The waiting area is situated to the left of the entrance, whilst 5 hair stations and 3 backwash basins are placed along the sleek black and cream walls of the salon.

At the back of the premises is a beauty room with a beauty bed, as well as a kitchen and toilet to the left.

All equipment is included in the sale, in addition to the business' professional website and active Facebook page with over 280 followers. Furthermore, Hair N Scissors' presence on Treatwell allows clients to book online, whilst the site's review feature gives credibility to their excellent reputation.

Opportunity

This sale is the perfect opportunity for a current salon owner or hairdresser looking to take on a lucrative salon.

The business is ideally located between two towns and sources clients from both locations, but could benefit from further advertising via social or local media. In particular, the strategy for its Facebook page and the utilisation of an Instagram account could increase local awareness and build its customer base.

The availability of a beauty room allows significant capacity to build upon the treatments offered and therefore increase spending per customer.

Further scope for increasing consumer spending could come from building upon its product sales, both in-person and online.
