# Business Overview

This is a superb opportunity for a retailer of luxurious, bespoke collectible and decorative pieces to purchase the attractively named Franklin Mint Ltd. With the fantastic domain names included, this is a great opportunity for an existing or new internet-based business.

Established in 2013 and promptly registered as a private UK limited company with Companies House, the business has continually remained dormant but has carefully ensured that it stays up to date with its accounts and filing.

Franklin Mint Ltd is a privately-owned company that is not associated with any other company with similar names. The vendor owns 100% of the enterprise's shares, all of which will be passed onto the buyer.

This is unbeatable opportunity to acquire a highly valuable business name that is incredibly difficult to register independently with Companies House. Consequently, this is a truly unique chance to acquire a uniquely named enterprise which comes with two identically labelled domains, offering a complete package. It is a brilliant purchase for either a UK resident or overseas buyer.

## Business Description

---

This purchase is available on a fully relocatable basis, as the business is dormant and does not have any fixed premises. The buyer will therefore be able to run the enterprise from home or choose premises anywhere in the world, according to their own needs and preferences.

The asking price includes 100% of the company's shares, an active Facebook page with an identical name, as well as the following five domain names:

Franklinmintltd.com  
Franklinmintltd.co.uk  
Officialfranklinmint.com  
Officialfranklinmint.co.uk  
Officialfranklinmint.info

The vendor is also willing to offer a transitional period to the buyer, to assist in fostering a smooth handover of operations.

## Opportunity

---

This is a one-off chance and the perfect acquisition for an existing enterprise that is looking to strengthen their position in the industry, or indeed a buyer who is seeking a new business venture. It would also be an attractive option for an overseas buyer who wants to register the highly recognisable UK limited company name, Franklin Mint Ltd.

As the business is currently dormant, the crucial method for achieving growth is to create a fully-fledged website for the domain names and to begin general business activity. It will then be vital to actively work on boosting brand awareness, incorporating the business's Facebook page to start cultivating a loyal customer base.
